

THE JOHN LAWRENCE SEMINARS

"INSIGHTS INTO DEVELOPMENT AND DISEASE FROM PROTEIN-RNA INTERACTIONS"

GENE YEO, PH.D., M.B.A.
UNIVERSITY OF CALIFORNIA, SAN DIEGO

I will present our recent efforts in understanding the roles of RNA binding proteins in neurodegeneration and cellular homeostasis, as well as updates from our efforts in ENCODE, from mapping millions of sites from hundreds of RNA binding proteins in human cell lines.

TUES., MAR. 1ST
4:00 P.M.

717 POTTER STREET
ROOM 141
BERKELEY LAB

HOST:
JOHN CONBOY

Schedule of Seminars: <http://johnlawrenceseminars.lbl.gov/>
Non-LBNL attendees: please RSVP to FGuagliardo@lbl.gov or 510-486-6490
